BRAND MEDIA KIT Logo Guideline

Use knock out (all black or all white)
when background is a solid color.

Stick to brand colors provided by
Cosmic Design Group. (See color
section on page 3 for full list of
colors)

Don't separate icon and type,
always use it cohesively as a whole.

Do not enlarge individual parts
of the logo.

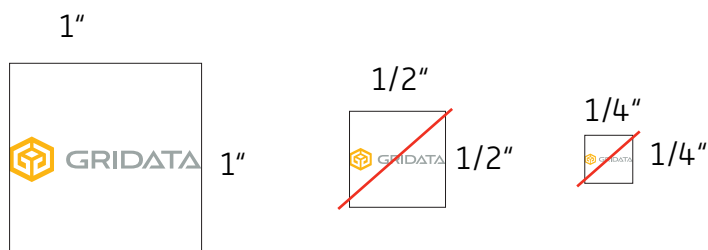

Do not surround the logo with a stroke or drop shadow.

Do not use logo as part of a sentence.

This is what  GRIDATA does.

Do not print logo smaller than 1 x 1"

Never use the logo as an image (.jpg, .png, .giff), always use vector image provided by Cosmic Design Group
